Longevity Increment Eligibility Rules

The following rules shall govern the eligibility of employees for the longevity increments provided for in Article III, Section 11 of the *2005-2008 Clerical Agreement*:

1. Only service in pay status shall be used to calculate the 15 years of service, except that for other than full time per annum employees only a continuous year of service in pay status shall be used to calculate the 15 years of service. A continuous year of service shall be a full year of service without a break of more than 31 days. Where the regular and customary work year for a title is less than a twelve month year, such as a school year, such regular and customary year shall be credited as a continuous year of service counting towards the 15 years of service. If the normal work year for an employee is less than the regular and customary work year for the employee's title, it shall be counted as a continuous year of service if the employee has customarily worked that length work year and the applicable agency verifies that information.
2. Service in pay status prior to any breaks in service of more than one year shall not be used to calculate the 15 years of service. Where an employee has less than seven years of continuous service in pay status, breaks in service of less than one year shall be aggregated. Where breaks in service aggregate to more than one year they shall be treated as a break in service of more than one year and the service prior to such breaks and the aggregated breaks shall not be used to calculate the 15 years of service. No break used to disqualify service shall be used more than once.
3. The following time in which an employee is not in pay status shall not constitute a break in service as specified in paragraph 2 above:
 - a. Time on a leave approved by the proper authority which is consistent with the Personnel Rules and Regulations of the City of New York or the appropriate personnel authority of a covered organization.
 - b. Time prior to a reinstatement.
 - c. Time on a preferred list pursuant to Civil Service Law Sections 80 and 81 or any similar contractual provision.
 - d. Time not in pay status of 31 days or less.
 - e. Notwithstanding the above, such time as specified in subsections a, b and c above shall not be used to calculate the 15 years of service.
4. Once an employee has completed the 15 years of "City" service in pay status and is eligible to receive the \$800 longevity increment, the \$800 shall become part of the employee's base rate for all purposes except as provided in paragraph 5 below.
5. The \$800 longevity increment shall not become pensionable until fifteen months after the employee begins to receive such \$800 increment. Fifteen months after the employee begins to receive the \$800 longevity increment, such \$800 longevity increment shall become pensionable and as part of the employee's base rate, the \$800 longevity increment shall be subject to the general increases provided in Article III, Section 4(a) of this Agreement.

Appendix B

The following rules shall govern the eligibility of Employees for the Recurring Increment Payment ("RIP") provided for in Article III, Section 12 of the 2005-2008 Clerical Agreement.

1. Only service in pay status shall be used to calculate the qualifying years of service. A continuous year of service shall be a full year of service without a break of more than 31 days. Where the regular and customary work year for a title is less than a twelve month year, such as a school year, such regular and customary year shall be credited as a continuous year of service counting towards the qualifying years of service. If the normal work year for an employee is less than the regular and customary work year for the employee's title, it shall be counted as a continuous year of service if the employee has customarily worked that length work year and the applicable agency verifies that information.
2. Part-time employees shall be ineligible to receive RIPs, but prior part-time service shall be credited to full-time employees on a pro rata basis, provided all other terms and conditions set forth herein are met.
 - a. An employee must have regularly worked at least one half the regular hours of full time employees in the same title or if no full-time equivalent title exists then at least 17-1/2 hours for white collar positions or 20 hours for blue collar positions.
 - b. Such part time service shall be prorated by dividing the number of hours worked per week by a part-time employee by the number of hours worked per week by a full-time employee in the same title. If no full-time equivalent title exists then the divisor shall be 35 hours for white collar positions or 40 hours for blue collar positions.
3. Service in pay status prior to a break in service of more than one year shall **not** be used to calculate the qualifying years of service.
4. The following time in which an Employee is not in pay status shall not constitute a break in service, but such time shall **not** be used to calculate the qualifying years of service:
 - a. time on a leave approved by the proper authority which is consistent with the Personnel Rules and Regulations of the City of New York or the appropriate personnel authority of a covered organization,
 - b. time prior to a reinstatement,
 - c. time on a preferred or recall list, and
 - d. time not in pay status of 31 days or less.
5. RIPs shall be considered a salary adjustment for the purposes of Article III, Section 1(d) of this Agreement and the maximum salary of an eligible title shall not constitute a bar to the payment thereof.
6. Once an Employee has qualified for a RIP and is receiving it, the RIP shall become part of the Employee's base rate and included in calculating all salary based payments, except as provided in paragraph 7 below. Any future negotiated general increases shall be applied to RIPs.
7. A RIP shall not become pensionable until two years after the Employee begins to receive such RIP.
