It was a long road to this contract. On June 15, 2022, DC37 kicked off contract demands with a rally in Foley Square. It also collected a bargaining survey with ideas for demands which was answered by over 15,000 members. Initially, Mayor Adams announced there will be no negotiations if issues connected to health care costs were not resolved in advance, but finally, in mid-September, the Mayor agreed to start bargaining. Also, the Mayor shifted his position regarding negotiation of Remote Work options. As you know, Remote Work and Telecommuting policy are NOT mandatory subjects of bargaining.

- **How High health care costs in NYC added new pressures to contract negotiations.** The City spends between 11-12 Billion dollars per year for Health Care for public employees. A handful of Hospitals exact exorbitant prices from City's coffers with rates at 300% & 400% above Medicare basic costs. Some hospitals are charging \$700-\$1000 dollars per covid test. Unions asks NYS Attorney General to investigate Hospital's billing practices. In Addition, the DeBlasio's administration passed many of the cost of COVID Testing to the Stabilization Fund. Unions expect refund of over \$280 Million dollars (costs through March 2022).
- **City workers get Juneteenth Holiday.** The Mayor and the Union agreed to the new holiday, and no givebacks. It is expected NYCHA, H+H, SCA will adopt the measure shortly. TA is adopting the measure for year 2022 only; DC37 Locals are asking TA to negotiate the inclusion of the Holiday for future years.
- **Civil Service:** DCAS intended to temporarily reclassify 26 Civil Service Titles to temporary positions, including 18 covering DC37 members. Exec Director Henry Garrido immediately reached to the City and City Council and was able to make the DCAS drop the 18 DC37 titles.

- **Lifting of COVID Vaccination mandate.** Mayor Adams ordered the lifting of the COVID Vaccine mandate for City workers. Approximately 1,700 workers were terminated for not complying with the mandate. Many of these workers are suing the City for restoration. A number of City Unions did not negotiate the process with the City. On the other hand, in 2022, DC37 negotiated with the City to give members the opportunity to submit accommodation requests (as per EEO procedure) and have those reviewed by a hearing panel.

Health Care Issues

City signed contract with Medicare Advantage Plan Aetna for retirees which is effective September 1st, 2023. This is a No-premium plan, with a cap on co-pays, limited pre-approval signed for 5 years with two 2-year extensions. On March 9, 2023, the MLC voted to approve MAP Aetna as the plan for retirees. Details of the plan can be found at www.NYC.gov/OLR

There is no Senior Care available because Judge's Frank decision to preclude other plans and because of strong opposition by a group of retirees to modify administrative code which would have allowed for an alternative plan.

A bill to amend the Administrative Code, and make Senior Care available to retirees, was introduced at City Council at the end of 2022. This was consistent with the Arbitrator's Decision. The hearing was held on January 9, 2023. The vote was expected on January 19, 2023 but City Council decided not to vote on it.

Arbitrator Decision:

Due to a disagreement between the City and Unions on the funding of healthcare plans for City Workers and Retirees, Arbitrator Martin Scheinman issued a decision on Dec 15, 2022, stating:

1. A Medicare Advantage Plan (Etna MA) should go forward to help alleviate the shortfall, and this plan will be Aetna MA.
2. The City and MLC have 25 days to reach agreement with Aetna.
3. This agreement with Aetna shall be put to a vote of the MLC. Failure to ratify this agreement shall result in finding another revenue source which, inevitably, will lead to premium contributions.

4. **Unless City Council amends the Administrative Code within 45 days of this award, to permit retirees to buy into Senior Care, then Senior Care shall not longer be offered. City Council decided not to vote on the bill modifying the Administrative Code on 1/19/23.**
5. **The Aetna MA Plan will be available to retirees; the City and MLC may also agree to offer other plans so long as they are at no cost to the City.**

***SODEXO: Since Members are asking why they did not receive the NY State Bonus, we are reaching out to H&H and SODEXO to review the process.**

On the 2022 Contract, members were paid retroactive moneys and increases on the 36-month wage agreement ratified in September 2022 which included yearly increases of 5%, 5% & 3% for a total of 13.56% in pay hikes retroactive to December 2021; a bonus of \$600 dollars for Full-time workers and \$300 for part-time workers; secured the Juneteenth holiday previously negotiated into the contract; Full timers will get one (1) personal day, similar to part-timers. All members will make \$21.55/per hour come December 19, 2022. Kudos to our bargaining committee, and specially to Negotiator Mark Heron.

***NY State HEALTH CARE WORKER BONUS / April 2023 Update: A third NY State Bonus will be implemented for workers performing certain functions related to COVID patients. / February 2023 UPDATE: A second bonus for 40 Local 154's Special Consultant II performing patient care was distributed in February 2023. These bonuses are exempt from local and state taxes.**

DC 37 fought to create a fund for essential pay for members on the front line of the COVID-19 pandemic. The New York State Health Care and Mental Hygiene Worker Bonus covers the vesting period from Oct. 1, 2021 to Mar. 31, 2024. The program pays bonuses of up to \$3,000 to eligible full and part-time employees, temporary and contracted workers. Read more about the bonus program [HERE](#).

If you believe your work was involved in direct patient care and did not receive an attestation letter from your employer, please contact your HR department first, and then your union representative. The program continues until Mar. 31, 2024, with a maximum of two vesting periods per eligible employee.

Employers must submit an application on behalf of eligible employees. Bonuses will be paid in December 2022. For program details, contact the Health Care Worker Bonus (HWB) Call Center at 866-682-0077.

The state has indicated that the program will expand to Education sector employers in October.

DC 37 will continue fighting at the bargaining table for essential pay for all members who have continuously worked during the pandemic.

DELTA DENTAL SERVICES

Delta Dental is the new dental network provider with 1800+ participating dentists in the New York City area and no added cost to DC37 members; DC 37’s Health and Security has invested 10 Million dollars to offer a panel with expanded services and increased fees for dental work. The newly renovated dental center at 115 Chambers Street was reopened starting November 15, 2022; for appointments call 212-766-4440.

***Transit Authority:** Our Negotiator Lisa Riccio retired a couple of weeks ago. We wish Lisa a great retirement. Our new negotiator Pablo Torres will lead bargaining. We had started bargaining over .20% Additional Compensation Fund (ACF), and .20% Equity Money with TA. Since TA had announced that non-represented workers will be allowed to work one day per week remotely, the Union wants to make sure our members are included in such policies. The Union demanded bargaining on these issues.

*** Accounting EDP Unit Contract** which covers our Research Assistants was settled on January 30, 2023. We are waiting for payment dates.

Distribution of the .20% Additions to the Gross in City Agencies:

After the initial agreement for the SSRT and Clerical Units, the City of New York decided to stop all bargaining and payments of the .20% due to the Budget Deficit as consequence of the pandemic. In early December 2020, Executive Director Henry Garrido in talks with City Hall was able to negotiate the immediate reopening of this bargaining process and the release of contractual money being held due to the budget downfall.

- **SSRT Contract.** The SSRT Unit, pending Local 371 ratification, have reached a preliminary agreement with the City on the use of the .20% effective July 26, 2019. Although the amount of money available was really small, this distribution accomplishes two things, first we were able to add money to existing RIP and Annuity amounts, and second we were able to include Equal Employment Opportunity Specialists at DOE and Adm. Claims Examiner in the distribution of annuity and RIP money.

1) Amount added to current Annuity for Claim Spec., HRS, & Spec. Cons. II (old amount \$724)	\$804
2) Amount added to 10-year RIP** for Claim Spec. HRS, & Spec. Cons. II (old amount \$521)	\$601
3) Annuity* created for Equal Rights Compliance Spec. and Administrative Claims Examiners	\$600 new
4) 10-year RIP** created for Equal Rights Compliance Spec. and Administrative Claims Examiners	\$450 new

- **Clerical Unit Contract.** This Unit covers the following Local 154 Titles: Public Records Aide, Public Records Officer, Associate Public Record Officer, Department Librarian, Department Senior Librarian, Department Supervising Librarian and Department Principal Librarian. We have reached an agreement on the use of the .20% which will be retroactive to July 26, 2019 and was applied to the RIP (Recurrent Increment Payment) in the following fashion:

The RIP schedule after the application of the 3% increase effective 10/26/2019 is as follows:

Years of City Service	RIP	Total
6	\$ 966	\$ 966
9	\$ 889	\$ 1,855
12	\$ 900	\$ 2,755
15	\$ 516	\$ 3,271
18	\$1,080	\$ 4,351

- **Real Estate Unit Contract.** This Unit covers the following Local 154 titles: Title Examiners, Senior Title Examiners and Principal Title Examiners. The preliminary agreement on the use of the .20%, retroactive to July 26, 2019, is to add \$216 to each of the RIPs for the 6 through the 20th year of service; this will result in the following schedule:

Year	Current RIP	New RIP	Year	Current RIP	New RIP
6	\$ 272	\$ 416	14	\$2,453	\$2,669
7	\$ 543	\$ 759	15	\$2,733	\$2,949
8	\$ 814	\$1,030	16	\$3,003	\$3,219
9	\$1,087	\$1,303	17	\$3,278	\$3,494
10	\$1,363	\$1,579	18	\$3,489	\$3,705
11	\$1,635	\$1,851	19	\$3,601	\$3,817
12	\$1,908	\$2,124	20	\$3,712	\$3,928
13	\$2,183	\$2,399			

- **We are restarting bargaining on the distribution of the .20% for the Accounting/EDP and Transit Authority Units.** These Units include Research Assistants and Claims Specialists at Transit.

Other Private Sector Units:

***New York Law School.** Negotiator Michelle Trester is taking medical leave, we wish Michelle a speedy recovery. Negotiator Ben Toutushek will take the lead in negotiations.

Other Chapter Activity:

***Transit Authority:** There an in-person TA Chapter meeting held on January 10, 2023.

In early November 2022, the Union asked for a meeting and walkthrough of the Livingston facility to discuss changes to the AC system. In April 2022, MTA President sent proposal to include a 500K benefit for beneficiaries of Transit workers who have died due to Corona Virus while in active service. Many thanks to Negotiator Lisa Riccio and many thanks to Veronica Julien for stepping forward to help us with the proposal. In January 2021, Transit announced the consolidation of several departments under MTA.

LawSuits

***Transit Authority:** In 2018 the Union filed an **Improper Practice** suit against Transit for the hiring of people in the title of Staff Analyst to fill jobs performed by Claim Specialists. The PERB hearings scheduled for April 2020 were re-scheduled for October 26, Nov 2, 2020, and for February 2021. The October 26 and November 2 hearings included testimony from Local 154’s Stewards and DC37 Research and Negotiations.

* **DOE:** Union filed an **Improper Practice** suit against DOE based on information that DOE was changing the title of the “Equal Rights Compliance Specialists” to “Equal Opportunity Complaint Investigator”. During a hearing at PERB on Feb 13, DOE gave information that they have classified these Specialists as Confidential Employees which was challenged by the Union.

Member’s Benefits.

***Paid Family Leave:** It became effective January 7, 2019. The City released PSB detailing the benefits and application for it. Due to stabilization on the use of Paid Family leave during year 2022, there will a be a small reduction in the 2023 deduction. This rate is determined by the insurance company and New York State. Effective January 2023, the new payroll deduction will be reduced by approximately 10%. Siblings will be a new added category in 2023.

The Paid Family Leave benefit is 12 weeks. The maximum weekly paid benefit is \$971.61, or \$1,943 bi-weekly. This union negotiated New York State benefit is available to all DC 37 members, including those in the six nonprofit and private sector locals. PFL provides a salary and job security while you bond with your newborn or adopted child, care for a sick parent, and more.

Civil Service:

Civil Service Examinations:

***Union requested DCAS to include the following tests for Local 154 Titles, in the 2023-24 Exam Calendar: Public Records Aide TC 60215; Public Records Officer TC 60216; Associate Public Records Officer TC 60217; Special Consultant TC 51001; Administrative Claim Examiner TC 10044.**

In January 2023, a new Public Records Aide list was made public.

If you are employed in a provisional position, I encourage you to take a civil service test. The life of all existing lists has been extended for one year. Please visit DCAS's website <https://www1.nyc.gov/site/dcas/employment/how-can-you-find-upcoming-exams.page> for more details. Share this information with your colleagues and co-workers.

New Tests in the Calendar:

- **Associate Human Rights Specialist Examination.** After an extensive dialogue with DCAS, an Open Competitive, and a Promotional Associate Human Rights Specialist tests were scheduled for registration on June 2022 and a written portion took place on December 29, 2022. The DC 37 Education Department helped in the organizing of preparation workshops. Many thanks to member Sulekah Prasad Frank for leading these workshops.
Also, the Union met with DCAS to state our concerns on the inclusion of several selective certifications in these tests which the Union considers to be outside the scope of the AHRs title.

Active Lists: * Claim Specialists. On May 22, 2019 DCAS released the **Claim Specialist test list #9023 with 669 names on it; during the second week of August, DCAS released copy of the Special Consultant Exam 8048 List. This list with 716 eligible includes a total of 506 people with score of 100 or better.** DCAS's information line can be reached at (212) 669-1357. The Law Department started calling people from the Claim Specialist list starting on April 2021, some people were appointed as other were bumped due to their low standing in the list.

Civil Service Tests – The Process - Please Read carefully

What happens after the test?:

- You will receive a score notice card. If you did not receive it, please contact DCAS. If you did receive it, then give a copy to your personal or human resource department and let them know that you are in the list.
- If you received a disqualification notice or you are dissatisfied with your score, you are entitled to an appeal. The appeal must be filed within 30 days to DCAS's Committee on Manifest Errors. If the Committee denies your appeal, then you can file an appeal with the Civil Service Commission. For the appeal with the Civil Service Commission, please let us know; the Union could help you with this process.
- After the agencies request certifications of the list, the same agencies will send "canvass letters" to enough high scoring eligible to fill their job lines. If you received a canvass letter, do not leave your current job. A canvass letter is not an offer of appointment. Please answer these

canvass letters and attend the interviews. Let your agency know that you have been invited to an interview. Your agency may agree to help you stay in your agency.

- Ranking. Successful candidates are placed on an eligible list in order of their respective final examination ratings, including seniority and veterans' credits. The rule provides that if two or more eligible receive the same final rating, they shall be placed in the list, for administrative purposes only, by the position derived of their last five digits of their social security number. All eligible with the same final score are equally reachable for appointment.
- If you are a top scorer you **might be** considered for the job but having a high score does not guarantee that you will be hired. An appointment from the list must be made by selecting one of the three highest ranking eligible willing to accept the appointment.
- If you are removed from the list or you became ineligible for appointment because you failed to reply to a canvass letter or because you declined an appointment, you may request restoration to the list.
- The Civil Service Law provides that the duration of an eligible list shall be not less than one year nor more than four years.
- People who are appointed to Civil Service positions are expected to serve a one-year **probationary period**. Credit is given to those who were serving in the same city title previous to the appointment.

*** Workplace Violence Program:**

The 2009 Labor Department's regulations require all public employers to develop and implement a Workplace Violence Prevention Plan. The Union is making sure that such plans are developed with Union participation. Several Unions, including Local 154, filed complaints with the State Department of Labor and PESH for lack of a proper WVPP at several agencies including DOH-MH, DOT, Fire Department and others. **What is Workplace Violence? NYCRR Part 800.6 defines workplace violence as "Any physical assault or acts of aggressive behavior occurring where the public employee performs any work-related duty in the course of his or her employment".**

• Supreme Court Case Janus v. AFSCME.
----- Unions under attack ---

On June 26, 2018 the Supreme Court voted 5 to 4 in favor of the anti-union case Janus vs AFSCME. The majority's opinion followed the political discourse of Corporations and big Capital in their attempt to destroy the labor movement by denying Public Sector Unions the right to dues collection, the financial backbone of Union Organizing. "A right-wing network of foundations and front groups has spent decades trying to destroy Labor Unions. One of those anti-union foundations is the Milwaukee-based Lynde and Harry Bradley Foundation. A few years ago, the foundation helped Wisconsin Gov. Scott Walker successfully attack public employees and withstand a union-led recall effort. Walker's chief targets were the teachers' union and the American Federation of State, County and Municipal Employees, DC 37's national union. Today, the "Wisconsin Model" — whose core goals are weakening collective bargaining, defunding unions, restricting workplace rights, promoting school vouchers, and backing right-to-work legislation — provides the blueprint for anti-labor and anti-government

initiatives around the country. “We are up against a conservative network that is sinking millions and millions of dollars into destroying unions,” DC 37 Executive Director Henry Garrido said. “Anti-labor right wingers are now establishing a beachhead in New York, where they are bringing their message directly to union households and attacking unions in the courts.”” **DC 37 Blog (Greg N. Heires).**

The effects of destroying Unions can be seen in places like West Virginia where Unions do not have collective bargaining rights (no contracts and no protections for working conditions!!), no wage increases, and they must pay health care co-payments determined by management. West Virginia ranks #48 in teacher’s compensation. West Virginia is a so-called Right-to-work State where workers do not have rights. Janus v. AFSCME intends to make the USA a Right-to-Work country where workers won’t have the right to collectively bargain for their rights.

Janus is not the end of the attacks against Labor Unions: Currently there are 51 lawsuits pending across the country, which could be classified in three groups: refund of dues retroactive to 3 years (17 cases), so far the 7th District ruled against this; challenge of state’s language designed to maintain dues in place (20 cases); and cases designed to challenge Unions’ rights to exclusive representation (14 Cases, 2 of which have been rejected by Supreme Court).

However, the victory of Biden-Harris in the November 2020 elections, brings the promise of having labor at the center of the economic recovery process. Already the COVID19 Relief package signed by President Biden in February 2021, extends help to working people, small businesses and local and state governments, all of which have been economically devastated by the pandemic. President Biden is supporting better paying jobs, Unionization and collective bargaining rights (Protecting the Right to Organize - PRO Act) and by restructuring NLRB. We are looking forward to these and other changes. The COVID19 Relief will bring 12.5 Billion to the State and approximately 6 Billion to the City of New York.

Please notice that our Contracts, Job Description, Salaries and President’s reports are available in our website www.Local154.org . If you have topics or questions about any labor issues for Local 154 website, please send them to Secretary Sheera Glass, President Juan Fernandez or Exec Board Member James Whooley at L154AFSCME@aol.com.
