On Feb. 11, the City issued termination notices to 1000 City workers due to lack of compliance with vaccine mandate. List included 4 Local 154 members. Another group of 500 workers in the same situation is expected to receive notice in March.

***City has deployed outreach teams, including Local 154 members, to help homeless population in subway system. Union has met with DOHMH to discuss situation.**

- **Mayor Adams orders City Agencies to issue a plan to eliminate the gap (PEG), including budget cuts of 3% but he did not include layoffs.**

***Updated .20% RIP, Annuity and Longevity payments (Pages 4)**

Wage and Retro Payment issued in January 2022 at School Construction Authority (SCA)

***Union requested DCAS to include the following tests for Local 154 Titles, in the 2022-23 Exam Calendar: Public Records Aide TC 60215; Public Records Officer TC 60216; Associate Public Records Officer TC 60217; Special Consultant TC 51001; Administrative Claim Examiner TC 10044.**

Move: Effective January 21st 2020 all DC 37 services are located at 55 Water Street, floors 22nd (H&S) and 23rd (DC 37 Union representation). Renovations continue at 125 Barclay; we expect to return to our building in approximately by October 2023.

DELTA DENTAL SERVICES

Dental Services: Our new Delta Dental plan started on September 2020. Delta Dental is the new dental network provider with 1800+ participating dentists in the New York City area and no added cost to DC37 members; DC 37’s Health and Security has invested 10 Million dollars to offer a panel with expanded services and increased fees for dental work. Members should have received a package with detailed information and plan participation ID cards in August. Visit : [Welcome DC 37 | Delta Dental \(deltadentalins.com\)](http://Welcome DC 37 | Delta Dental (deltadentalins.com))

The newly renovated dental center at 115 Chambers Street will be reopened starting November 15 at a ribbon-cutting ceremony; for appointments call 212-766-4440.

Drug prescription costs continue to increase at astronomical speed and without end in sight. Recently MLC approved PICA to include two new drugs, one with a cost of \$1.8 Million and another with a cost of \$2.1 Million. In Congress we support passage of HR3 to help regulate drug prices.

Medicare Advantage Plus Plan:

On March 3, Judge Frank ruled that Medicare Advantage + can be implemented, and that the Senior Care plan should be offered to retirees free of charge. The City is filing appeals, and not implementing Medicare Advantage +. The ruling will impact Stabilization Fund.

Previous posting: The City and Municipal Labor Committee (MLC) evaluated proposals to reduce health care cost in the City. For the MLC is crucial to save the stabilization fund from the impact of high hospital costs and drugs costs by adopting a new PICA plan and alternative Medical plans that could generate high savings and in turn help extend the life of the stabilization fund. The plans under considerations were Medicare Advantage, and Etna. The unions voted for Medicare Advantage which will generate less savings overall but allows retirees to keep current benefits and create less service disruption. OLR sent information packages to all retirees on September 2021 and a Judge ordered the extension of the enrollment deadline until March 15, 2022 after

hearing concerns on the limited education and outreach performed by the Blue-Cross/Emblem Alliance. If you didn't receive it information materials, call OLR at 833-325-1190 or visit nyc.gov/olr for the latest updates.

COVID19 and Mask usage:

Due to the 85% rate of vaccination, the City is lifting the mask requirements in many locations. Follow specific instructions.

Contracts / Citywide Increase:

Mayor Adams orders PEG

As Mayor Adams orders City Agencies to issue a plan to eliminate the gap (PEG), including budget cuts of 3% but **No layoffs**, the Unions continue to monitor the City's fiscal health. City revenues during the first quarter of year 2022 will be crucial to predict the City's budgetary position by the end of the current fiscal year in June (FY2022).

DC 37 asks Mayor to negotiate Remote Work Policy: DC37 sent letter asking the mayor to negotiate a remote work policy for City workers. Mayor Adams is giving positive signals that he may agree to do so. As you know, Remote Work and Telecommuting policy are NOT mandatory subjects of bargaining.

The Union is in support of several initiatives and bills intending to promote the creation telecommuting and remote work policy, such as bill A457.

City Terminates 1000 Workers

City issues termination notices to 1000 workers who have not followed vaccination mandate or did not asked for medical or religious exemptions. Most of the list includes workers at DOE (900). Local 154 received a list of 4 workers being impacted by the measure; the local contacted the workers. Another 500 workers are expected to receive notices in March 2022.

***City will deploy outreach teams, including Local 154 members, to help homeless population in subway system.**

Special Consultants in the CR and HEAT teams are being asked to work with NYPD and Homeless Services to outreach homeless population in subway system. On Feb. 14, the Unions met with DOH-MH to review and discuss deployment plans. Another meeting was held on March 14 to hear DOHMH's responses to additional Union's concerns after members activities in the subway. The Union will file grievances.

School Construction Authority after a long wait, SCA finally issued wage increases and retroactive payments to our members in Unit B.

***Transit Authority:** On March 14, the Union met with TA to discuss the content of Sick Leave forms which requires members to discuss personal medical information. Union wants the form changed.

The Union will be sending Transit demands for the application of the .20% addition to the gross, and the .20% Additional Compensation Fund (ACF); Local 154 will support the issuance of a LIRR- MetroNorth pass to members, with ACF funding.

NYCHA. A Coalition of seven Unions, including Local 154, sent letter to NYCHA President asking for a meeting to discuss reopening plans. Copy of this letter was forwarded to City Council's City reopening hearings. The same coalition is pursuing bargaining with NYCHA in regards to establishing a remote/telecommuting work option for NYCHA workers.

Distribution of the .20% Additions to the Gross in City Agencies:

After the initial agreement for the SSRT and Clerical Units, the City of New York decided to stop all bargaining and payments of the .20% due to the Budget Deficit as consequence of the pandemic. In early December 2020, Executive Director Henry Garrido in talks with City Hall was able to negotiate the immediate reopening of this bargaining process and the release of contractual money being held due to the budget downfall.

- **SSRT Contract.** The SSRT Unit, pending Local 371 ratification, have reached a preliminary agreement with the City on the use of the .20% effective July 26, 2019. Although the amount of money available was really small, this distribution accomplishes

two things, first we were able to add money to existing RIP and Annuity amounts, and second we were able to include our brothers and sisters in two new titles. Many thanks to the bargaining committee members VP J.White, Chapters Chairs E.Greene, D.Thillet, V.Tirado, V.Julien, Rep. L.Hobgood, and negotiator M.Dolan. Thanks to Local 371 and Local 768.

- Employees in the Adm Claim Examiner titles who were newly added will see the full retro if they have the 10 years.

- 3) Annuity* created for Equal Rights Compliance Spec. and Administrative Claims Examiners \$600 new
- 4) 10-year RIP** created for Equal Rights Compliance Spec. and Administrative Claims Examiners \$450 new

- **Clerical Unit Contract.** This Unit covers the following Local 154 Titles: Public Records Aide, Public Records Officer, Associate Public Record Officer, Department Librarian, Department Senior Librarian, Department Supervising Librarian and Department Principal Librarian. We have reached an agreement on the use of the .20% which will be retroactive to July 26, 2019 and was applied to the RIP (Recurrent Increment Payment) in the following fashion: The RIP schedule after the application of the 3% increase effective 10/26/2019 is as follows:

- **Real Estate Unit Contract.** This Unit covers the following Local 154 titles: Title Examiners, Senior Title Examiners and Principal Title Examiners. The preliminary agreement on the use of the .20%, retroactive to July 26, 2019, is to add \$216 to each of the RIPs for the 6 through the 20th year of service; this will result in the following schedule:

- We are restarting bargaining on the distribution of the .20% for the Accounting/EDP and Transit Authority Units. These Units include Research Assistants and Claims Specialists at Transit.

Private Sector Units:

On March 15, 2021 Governor Cuomo signed an order granting public and private sector employees up to 4 hours of excused time per injection toward the COVID19 vaccine.

***New York Law School.** In November 2021, NYLS negotiated a new premium with a medical vendor which NYLS and DC37 agreed that it won't be added to the current premium paid by our members.

***SODEXO.** Sodexo members are covered by the mandate to vaccinate issued by the Governor to all public health facilities in New York State.

New Contract negotiations: we contacted SODEXO asking them to start negotiations on a new contract since the current one expires on December 31, 2021.

Other Chapter Activity:

Remote Union Meetings

Since we have the proper technical support, we have been organizing remote membership meetings. We had meetings with Law Department, NYCHA, HHC members on July 9 and Comptroller, CCHR, DORIS, DDC, Consumer Affairs. We also had General Membership meetings every two or three months.

Human Rights Chapter

Human Rights Chapter meetings were held on Feb 15 and Feb 18, 2022. Flyer was sent out to all HR workers.

DOH-MH Special Consultant Chapter.

On 2/11/22 and 2/13, we held chapter meeting to discuss concerns regarding the deployment of SCs in subway system. Since retirement of Chapter Chair Elliot Greene, we have not had a steward for this chapter. Four SCs, are willing to be chapter liaison; I thanks and welcome all of them. Two of the SCs, participated in Labor Management meeting with DOHMH on 2/14/22, and four other SCs were asked to participate in the

3/14/22 follow up meeting. We will be meeting with DOHMH every two weeks to review subway situation.

Research Assistant/Title Examiners Chapter

In November 2020, Local 154 responded to DCAS's stated intentions to eliminate the title of Title Examiner because it was not being used. Local 154 gathered information showing that the duties of the title were being contracted out to vendors who, to add insult to injury, were not performing the job correctly with the consequent loss of City revenues. The Local was able to provide documentation on some of the lawsuits initiated by the City against vendors who were not up to task. Naturally, the people correcting the undoing of private contractors were City workers in the Senior and Principal Title Examiners titles. Can anybody say the City is throwing money away twice or thrice? Finally, in December DCAS informed the Union that they were desisting in removing the Title.

Many thanks to our diligent members led by Chapter Chair James Whooley in the gathering of documents on this issue. Many Thanks to Moira Dolan in DC37 Research and Negotiations Department.

***Transit Authority:** MTA President sent proposal to include a 500K benefit for beneficiaries of Transit workers who have died due to Corona Virus while in active service. MTA Board will vote on it on Wednesday April 22, 2020. Many thanks to Negotiator Lisa Riccio and many thanks to Veronica Julien for stepping forward to help us with the proposal. In January 2021, Transit announced the consolidation of several departments under MTA. The Union have reached out to TA to discuss the measure.

Law Suits

* The Union filed an **Improper Practice** suit in that DCAS installed and is using real time GPS to monitor and discipline members who use city cars, a change of terms and conditions of employment. Although the incidents occurred at Parks and DOT, this lawsuit has broader implications for many workers using City Cars while at work.

***Transit Authority:** In 2018 the Union filed an **Improper Practice** suit against Transit for the hiring of people in the title of Staff Analyst to fill jobs performed by Claim Specialists. The PERB hearings scheduled for April 2020 were re-scheduled for October 26, Nov 2, 2020, and for February 2021. The October 26 and November 2 hearings included testimony from Local 154's Stewards and DC37 Research and Negotiations.

* **Victory!!** On a second case against TA filed three years ago to obtain representation of **Hearing Officers**, PERB ruled that these workers should be considered employees (Transit claimed they were merely Contractors) and therefore eligible to be represented by a Union; a hearing to discuss community of interest was scheduled by PERB to take place on **October 24, 2019**. This hearing did not take place since TA and Union agreed to review and count the Union cards signed by workers, the Judge determined that the majority of workers have signed to join the Union therefore adjudicating the work unit to DC37. We thank DC 37 General Counsel's Office, Atty. Dena Klein, Organizer Julien DeJesus, our Transit Chapter Chair Veronica Julien, and Shop Steward Greg Petrus for their work and commitment to this organizing fight. DC37 sent a report to AFSCME asking it to assign the new unit to Local 154. AFSCME has the power to make this determination.

* **DOE: Union filed an Improper Practice suit against DOE based on information that DOE was changing the title of the “Equal Rights Compliance Specialists” to “Equal Opportunity Complaint Investigator”. During a hearing at PERB on Feb 13, DOE gave information that they have classified these Specialists as Confidential Employees which is being challenged by the Union. The next hearing will take place at the end of September 2020.**

Member’s Benefits.

***Paid Family Leave: It became effective January 7, 2019. The City released PSB detailing the benefits and application for it. Due to high use of Paid Family leave during year 2020, there was an increased deduction in year 2021. This rate is determined by the insurance company and New York State. Effective January 2021, the new deduction will be equal to .511% of the wages which equals to \$9.75 bi-weekly deduction for a \$50,000 yearly salary. Year 2022: the PFL bi-weekly deduction will not increase but the cap will slightly go up. Siblings will be a new added category in 2023.**

The Paid Family Leave benefit is 12 weeks. The maximum weekly paid benefit is \$971.61, or \$1,943 bi-weekly. This union negotiated New York State benefit is available to all DC 37 members, including those in the six nonprofit and private sector locals. PFL provides a salary and job security while you bond with your newborn or adopted child, care for a sick parent, and more.

Civil Service:

State Salary Survey:

AT the end of July, we asked OLR to include Local 154 titles in the upcoming NYS Pay Equity Study of State and City Titles pursuant to Chapter 403 of 2018. The study intends to measure pay inequities among public employers. OLR has informed us that the following Local 154 titles will be included in the study:

**Claim Specialist, Research Assistant, Public Records Aide
Human Rights Specialist & Public Records Officer**

If you are serving in one of these titles, you will receive a link to the survey from your City Agency. Please answer the survey to the best of your knowledge.

Civil Service Examinations:

Local 154 has requested the inclusion of several civil service examinations for the upcoming calendar period. If you are employed in a provisional position, I encourage

you to take a civil service test. The life of all existing lists has been extended for one year. Please visit DCAS's website <https://www1.nyc.gov/site/dcas/employment/how-can-you-find-upcoming-exams.page> for more details. Share this information with your colleagues and co-workers.

New Tests in the Calendar:

- **Associate Human Rights Specialist Examination.** After an extensive dialogue, DCAS informed the Union that an Open Competitive, and a Promotional Associate Human Rights Specialist test are scheduled for June 2022. The Union will help with preparation workshops as soon as test details are available.
- **DCAS has added a Public Record Aide examination** to its 2021-2022 examination calendar.

Active Lists: * Claim Specialists. On May 22, 2019 DCAS released the **Claim Specialist** test list #9023 with 669 names on it; during the second week of August, DCAS released copy of the Special Consultant Exam 8048 List. This list with 716 eligible includes a total of 506 people with score of 100 or better. DCAS's information line can be reached at (212) 669-1357. The Law Department started calling people from the Claim Specialist list starting on April 2021, some people were appointed as other were bumped due to their low standing in the list.

Ask for 2022-2023 Exam Calendar

*** Local 154 had asked DCAS to include the following tests in the 2022-23 Exam Calendar: Public Records Aide TC 60215; Public Records Officer TC 60216; Associate Public Records Officer TC 60217; Special Consultant TC 51001; Administrative Claim Examiner TC 10044. All legal actions (lawsuits) on the matter of Civil Service tests are precluded at this time under the NY State Plan for the Reduction of Provisional.**

If you are provisional and there is no test available for your title, we suggest that you take another available test where you can hold a permanent position (contact your Union Representative if you have any questions).

Civil Service Tests – The Process - Please Read carefully

What happens after the test?:

- You will receive a score notice card. If you did not receive it, please contact DCAS. If you did receive it, then give a copy to your personal or human resource department and let them know that you are in the list.
- If you received a disqualification notice or you are dissatisfied with your score, you are entitled to an appeal. The appeal must be filed within 30 days to DCAS's Committee on Manifest Errors. If the Committee denies your appeal, then you can file an appeal with the Civil Service Commission. For the appeal with the Civil Service Commission, please let us know; the Union could help you with this process.
- After the agencies request certifications of the list, the same agencies will send “canvass letters” to enough high scoring eligible to fill their job lines. If you received a canvass letter, do not leave your current job. A canvass letter is not an offer of appointment. Please answer these canvass letters and attend the interviews. Let your agency know that you have been invited to an interview. Your agency may agree to help you stay in your agency.
- Ranking. Successful candidates are placed on an eligible list in order of their respective final examination ratings, including seniority and veterans' credits. The rule provides that if two or more eligible receive the same final rating, they shall be placed in the list, for administrative purposes only, by the position derived of their last five digits of their social security number. All eligible with the same final score are equally reachable for appointment.
- If you are a top scorer you might be considered for the job but having a high score does not guarantee that you will be hired. An appointment from the list must be made by selecting one of the three highest ranking eligible willing to accept the appointment.
- If you are removed from the list or you became ineligible for appointment because you failed to reply to a canvass letter or because you declined an appointment, you may request restoration to the list.
- The Civil Service Law provides that the duration of an eligible list shall be not less than one year nor more than four years.
- People who are appointed to Civil Service positions are expected to serve a one-year **probationary period**. Credit is given to those who were serving in the same city title previous to the appointment.

*** Workplace Violence Program:**

The 2009 Labor Department's regulations require all public employers to develop and implement a Workplace Violence Prevention Plan. The Union is making sure that such plans are developed with Union participation. Several Unions, including Local 154, filed complaints with the State Department of Labor and PESH for lack of a proper WVPP at several agencies including DOH-MH, DOT, Fire Department and others. **What is Workplace Violence? NYCRR Part 800.6 defines workplace violence as “Any physical assault or acts of aggressive behavior occurring where the public employee performs any work-related duty in the course of his or her employment”.**

• Supreme Court Case Janus v. AFSCME.
----- Unions under attack ---

On June 26, 2018 the Supreme Court voted 5 to 4 in favor of the anti-union case Janus vs AFSCME. The majority’s opinion followed the political discourse of Corporations and big Capital in their attempt to destroy the labor movement by denying Public Sector Unions the right to dues collection, the financial backbone of Union Organizing. “A right-wing network of foundations and front groups has spent decades trying to destroy Labor Unions. One of those anti-union foundations is the Milwaukee-based Lynde and Harry Bradley Foundation. A few years ago, the foundation helped Wisconsin Gov. Scott Walker successfully attack public employees and withstand a union-led recall effort. Walker’s chief targets were the teachers’ union and the American Federation of State, County and Municipal Employees, DC 37’s national union. Today, the “Wisconsin Model” — whose core goals are weakening collective bargaining, defunding unions, restricting workplace rights, promoting school vouchers, and backing right-to-work legislation — provides the blueprint for anti-labor and anti-government initiatives around the country. “We are up against a conservative network that is sinking millions and millions of dollars into destroying unions,” DC 37 Executive Director Henry Garrido said. “Anti-labor right wingers are now establishing a beachhead in New York, where they are bringing their message directly to union households and attacking unions in the courts.”” **DC 37 Blog (Greg N. Heires).**

The effects of destroying Unions can be seen in places like West Virginia where Unions do not have collective bargaining rights (no contracts and no protections for working conditions!!), no wage increases, and they must pay health care co-payments determined by management. West Virginia ranks #48 in teacher’s compensation. West Virginia is a so-called Right-to-work State where workers do not have rights. Janus v. AFSCME intends to make the USA a Right-to-Work country where workers won’t have the right to collectively bargain for their rights.

Janus is not the end of the attacks against Labor Unions: Currently there are 51 lawsuits pending across the country, which could be classified in three groups: refund of dues retroactive to 3 years (17 cases), so far the 7th District ruled against this; challenge of state’s language designed to maintain dues in place (20 cases); and cases designed to challenge Unions’ rights to exclusive representation (14 Cases, 2 of which have been rejected by Supreme Court).

However, the victory of Biden-Harris in the November 2020 elections, brings the promise of having labor at the center of the economic recovery process. Already the COVID19 Relief package signed by President Biden in February 2021, extends help to working people, small businesses and local and state governments, all of which have been economically devastated by the pandemic. President Biden is supporting better paying jobs, Unionization and collective bargaining rights (Protecting the Right to Organize - PRO Act) and by restructuring NLRB. We are looking forward to these and other changes. The COVID19 Relief will bring 12.5 Billion to the State and approximately 6 Billion to the City of New York.

Please notice that our Contracts and the President’s reports are available in our website WWW.Local154.org . If you have topics or questions about any labor issues for Local 154 website, please send them to Secretary Sheera Glass, President Juan Fernandez or Exec Board Member James Whooley at L154AFSCME@aol.com.
